## Publication Policies

We encourage the submission of news, births, engagements, weddings, birthdays, anniversaries, announcements, letters to the editor or obituaries ... all accepted without financial compensation, with the provision that we may edit for brevity, grammar and journalistic standards.

If the submitter desires no alterations or editing of the material, a payment in advance of \$.75 per word will be required prior to publication. The word count will be determined by the Rockwall County News computerized software word counting.

The publisher also reserves the right of refusal to publish any material deemed libelous or a character attack of another individual. Letters to the editor must be signed with information for verification.

The rejection or acceptance of any material for publication is at the sole discretion of the publisher, protected by the First Amendment to the U.S. Constitution.
